It is the responsibility of the exhibitor to declare to ÉDITIONS AS any objects of significant value, or which he intends to insure in a specific way, and that he leaves inside the premises. The purpose of this declaration is to verify the coherence with the declared values and the insurance of the organizers, the companies CHATEAUFORM', CENTTHOR and/or MAGNUM. In the absence of this declaration, the exhibitor waives any recourse against the organizers in case of insufficient guarantee from their insurers.

Waiver of recourse :

By the mere fact of his participation, every exhibitor as well as his insurers declare to renounce all recourses that they would be entitled to exercise against ÉDITIONS AS, for any direct or indirect damage that the latter could cause to his goods as well as to his employees.
